

Discovery Learning Center

Waitlist Form and Information

Date _____

Dear Parent:

Thank you for taking an interest in Discovery Learning Center's PreSchool Program. Discovery Learning Center offers the following classes: PreSchool (3-4 year olds), PreKindergarten (4-5 year olds) and Kindergarten (5-6 year olds). Your child needs to be three (3) years old, fully immunized and toilet trained, by September 1st to be eligible for the PreSchool classroom. October 1st is the cut off date for children's ages in order to be eligible for the appropriate classroom.

Please take a moment to complete the Waitlist Form below. You are welcome to, and encouraged to, contact Discovery Learning Center to update any information at any time. We strongly encourage you to schedule a visit in February or March of the year your child will be eligible to attend Discovery Learning Center. At that time you will notify us of your scheduling needs. Many families move in and out of our town and we request your notification if you move or wish to be removed from our waitlist.

Sincerely,

Discovery Learning Center
