

SPECIAL NOTE FROM THE PAC

NO ISLAND CASINO NIGHT

We would like to take this opportunity to thank you for your constant support of our programs over the years. Due to the current economic climate we have chosen to not pursue our Annual Casino Night Fundraiser. We respect that many local businesses are struggling with our economy as it is, and we do not want to put you in a position of having to say no to a cause you believe in. As soon as the economy turns around, we will be back asking for your support again!

We are still providing all the services we have in the past and hopefully, will not need to cut or trim down programs. This Wish List will be our only fundraising opportunity this year. So.....if you are in a position to financially support Discovery Learning Center, we would truly appreciate your donation!
